Дисертация за получаване на научна и образователна степен
„Доктор” по професионално направление
4.1 Физически науки, научна специалност „Хелиофизика”
на тема **„Изследване на дестабилизацията и ерупцията
на протуберанси/влакна в активни области на
Слънцето”**
на Цветан Ангелов Цветков
